Bajaj Auto Launches Avenger 220

Bajaj Auto has launched the Avenger 220 priced at Rs. 76,876/- (on-road, Pune). The bike features a 220cc powerplant with bigger oil cooler. The 220cc 4 stroke engine is borrowed from the P220 and boasts a power of 19.3bhp at 8500rpm and 19.12Nm at 7000rpm. The bike features battery Sensor, self cancel indicators, DC electricals and is available in Black, Red, Blue and Silver colours. The retro look of the bike has been retained and bookings have commenced. Deliveries will be done within two weeks from booking date. Is this the fastest India cruiser? Certainly not!
