Bajaj Auto To Open More Probiking Outlets

[Bajaj Auto](#) will be inaugurating 8 more Probiking showrooms by the end of next year, thereby bringing the total outlets to 34. The Probiking outlets demonstrate the futuristic technology behind the bikes marketed and sold by Bajaj. Also on the cards is the upgrade of the current Probiking showrooms in order to accommodate bikes from the KTM stable. Just like the [Kawasaki Ninja](#), KTM bikes will be brought in CKD format. However small capacity bikes are likely to be manufactured locally at Bajaj's Chakan facility.
