Bajaj Auto Launches New Discover 150

Bajaj Auto has launched the new Discover 150. The Discover 150 is powered by a 150cc 13 PS DTS-i engine giving an excellent on-road mileage of 65 kmpl (company claimed) equal to most other 100cc's. The new Discover 150cc features 5 speed gear-box, electric start, Nitrox Suspension, Disc-brake and Wider-rear tyres. [Discover](#) 150 is priced at Rs. 46.000/- (ex-showroom, Delhi) and will be launched in a phase-wise manner across the country. The Discover 150 adheres to the latest BS III emission norms.

"Discover 100 took market by a storm with its launch last July. In this short span of time the Discover 100 is already one of the largest selling models in the motorcycle market with current volumes averaging 75,000 per month. With the new Discover 150, we are instilling a fresh momentum and adding riding excitement to the overall Discover portfolio," Mr. S. Sridhar, CEO, Bajaj Auto said.
