Discover Pink Flyod Hotel

PINK FLYOD HOTEL
All rooms in this offbeat whacky Hotel in Pushkar, Rajasthan, are named after Pink Floyd albums. A hip hard-core fan runs this hotel filled with 1980s memorabilia. Pushkar, an important religious place for Hindus, is located about 100 kms from Jaipur or just 1 litre away on your new Bajaj Discover DTS-Si.

MotorBeam.com

Bajaj Auto's new Discover DTS-Si has sold a record 1,00,000 units in the first 50-days of its launch. This is possibly a new volume benchmark for any bike launched in India. The company has ramped up the production of the 100cc bike to 80,000 with the help of its Pantnagar capacity to meet the overwhelming demand during the festive season.
