Awesomely Modified Black Bajaj Pulsar 220

Reader Simplemind has sent up some amazing information and pictures of his friends Modified Pulsar 220. The bike simply looks awesome and much better than the earlier [white Bajaj Pulsar 220](#). The fairing and the foot-rest are from the [Yamaha R15](#), monoshock is from the Honda Unicorn, the handle bar and the swing-arm has been customized.

But all this didn't come easy. Lots of trial and error. Earlier the bike had a customized fairing. The

expenditure on the modifications is around Rs. 20,000/- (with a major chunk of the amount being spent on parts) and we surely think its money well spent. The owner of the bike has got a very good offer and is selling the bike. He will buy another [Bajaj Pulsar 220](#) and modify it in a different way. We can't wait and we are sure you can't either.
