Bajaj Pulsar 220 DTSi In Action

There have been mixed reactions from [Bajaj Pulsar](#) fans. Some hate Bajaj for discontinuing the Pulsar 200, while others believe the P200 was all show and not much of a go. However we feel Bajaj has struck all the right chords with the [Pulsar 220 DTSi](#), partly because its faster and mainly because its cheaper and thus immensely affordable to the aam janta. Checkout pictures of the carbed P220 in action courtesy of zigwheels.
