Bajaj Pulsar 220 S Launched

The [Bajaj Pulsar](#) gets yet another variant in the form of the 220 S. The S stands for street like the F stands for faired. The new 220 variant is the evil twin of the now defunct Pulsar 200. At Rs. 76,000/- the Pulsar 220 S costs Rs. 3000 less than its F sibling. Everything else remains the same except the headlight and the exhaust canister. Many enthusiasts are not impressed with the 220 S, but at this price point other manufacturers are offering 150cc machines.
