Fully Faired Bajaj Pulsar 220

Sarthak Yadav from Riders Club has sent us details of his modified Pulsar. The bike features a 140 section rear tyre (one of the widest in the country) along with KnN filter, racing cowl and all black combination. He claims the bike hits a top speed of 156 kmph and the cost of all these modifications was Rs. 20,000/- We leave it to you to judge how the bike looks.
