Modified Bajaj Pulsar 150 In Maldives

Ahmed Arees, a Mauritian Maldives resident has modified his 2005 [Bajaj Pulsar](#) 150 with alot of mods. The whole job took him just two weeks to complete and he did it himself along with the assistance of his friends. The stickers are a bit out of place with NOS et all and the mods seem to be quite expensive.

The prices of the mods are :-

- Handle Bar - \$133
- Dust cover - \$260
- Paint With The Glitter Effect And The Racing Striped - \$450
- Read IRC Tyre - \$80
- Modified Silencer - \$350
- Pair Of Rear Pedal - \$25
- CBR Mirror Set - \$10
- Seat Modification - \$45
