Honda Launches CB Twister In India

Honda India has forayed into the entry level bike segment with the launch of the CB Twister. The new bike will available in three variants and will be marketed from February 2010. Pricing will be disclosed at the Auto Expo but estimations hover around Rs. 45,000/- The 110cc motor produces a maximum power of 9bhp at 8000rpm and maximum torque of 9Nm at 6000rpm. The CB Twister comes with 4-speed transmission (1-down and 3-up) and boasts of a mileage of 70kmpl made possible thanks to its 108kgs weight.
