Honda Launches CB Unicorn Dazzler

Honda Motorcycle & Scooter has launched a new version of the Unicorn. The CB Unicorn Dazzler is priced at Rs. 62,900/- (ex showroom Delhi) and will come with five speed transmission, digital instrumentation, 17 inch alloy wheels and rear disc brake. The bike is Bharat Stage III emission compliant and is available in four colours - Armour Gold Metallic, Pearl Siena Red, Pearl Nightstar Black and Sword Silver Metallic. According to Automotive Research Association of India (ARAI), the Dazzler will give a mileage of 60 kmpl. The company will continue to sell the existing Unicorn, which is priced at Rs. 59,285/- (ex showroom Delhi).

"The 150 cc segment of the Indian motorcycle industry has grown over two-fold in the last three years and it is expected to grow at this rate. This new Unicorn will help us in achieving more market share in the coming days," Honda Motorcycle & Scooter India (HMSI) Operating Head (Sales & Marketing) NK Rattan said.

The Mumbai launch of the Dazzler is on the 14th and we will be covering it. If you want to ask Honda officials any questions, just drop your comments below.
