# **Honda To Launch CB Dazzler**

Honda Motorcycle may have dissatisfied its fans with the new Unicorn but the company is working on launching the Unicorn Concept (see pictures [here](#)) around 8th May, 2010. The bike will be called CB Dazzler and will be a sportier and premium version of the Unicorn. Honda official has confirmed a launch in the beginning of May. The CB Dazzler is expected to come with new features like front and rear disc brakes, digital tachometer. The CB Dazzler is expected to cost Rs. 15,000 more than the current [CB Unicorn](#).
