# Hero Honda Karizma ZMR FI Pictures & Details

Hero Honda Motors has officially launched the [Karizma](#) ZMR and priced it at Rs 91,000 (ex-showroom, Delhi). The new Karizma ZMR comes with a 223cc fuel injection engine and is fitted with digital ignition system. The new bike will go on sale across the country by the end of this month and the company will target youngsters within the age group of 18-24 years as its potential customers. The carb version Karizma will still sell side by side.

"One of the key pillars of our winning strategy has been to consistently keep introducing new, advanced products and maintaining a balanced product portfolio. The ZMR is set to further augment our steadily growing presence in the premium segment," Hero Honda Motors MD Pawan Munjal said.
