Bajaj Kawasaki Ninja 250R Launch On 5th October

MotorBeam.com

According to [Business Standard](#), Bajaj Auto is all set to launch the [Kawasaki Ninja 250R](#) in India on 5th October. The bike is expected to be priced between Rs. 1.50-2.00 lakh and if that is true than I am sure many of you must be smiling. The bookings would start just ahead of Diwali and the deliveries would happen immediately. Bajaj Auto MD Rajiv Bajaj said that a new version of [Pulsar](#) would also be launched within three months, which we think would be an upgrade to the Pulsar 220 DTSFi.
