# Royal Enfield Bullet Classic Variants

[Royal Enfield](#) will get the Classic into India in two variants. A 500 with EFi which will cost anything between 1.3 and 1.5 lakhs and will come in green colour. The other version is the 350 with Twinspark carb engine which will be priced in the 80-90,000 range and will be available in black, red and silver colours. Both versions will come with two independent seats. These bikes have no kick start and are equipped with electric start. The CI engine and AVL engine will be stopped from April 2010 due to stricter emission norms. Information courtesy of [Randhawa](#).
