At the 2010 Auto Expo, [Maruti Suzuki](#) pavilion was showcasing Suzuki's two-wheel leadership. On display were nine motorcycles including the Hayabusa, Intruder, SV, Thai-produced Skydrive 125 scooter and the Burgman Fuel Cell Scooter which was last seen at the 2009 Tokyo Motor Show. Suzuki did not get their day-to-day commuter bikes and waste precious floor area, something which we really appreciate.
