Suzuki Superbikes Launched

We were the first blog to post about Suzuki's plan to launch the [Hayabusa and Intruder](#). Suzuki has today launched its two hyper sports bikes, the Hayabusa and Intruder M1800R, both priced at Rs 12.5 lakh (ex-showroom Delhi). Hayabusa is powered by a 1,340 cc engine, while the Intruder is powered by a 1,783 cc V-twin engine.

"This launch is very significant when we are globally surrounded by uncertainties. Suzuki has been delivering superior technology, which has been proven world-wide. We intend to showcase the same in India," Suzuki Motorcycle India Vice-President (Sales & Marketing) Atul Gupta said.

The bikes will be available in Delhi, Bangalore, Hyderabad, Chennai, Pune, Mumbai and Ahmedabad. Stay tuned for more pictures, details and info on the superbikes.
