TVS Apache ABS Launch In February

Just recently Honda has announced the CBR250R with ABS, which would be the first bike in India to sport ABS. However sources close to TVS Motors have confirmed about the company's plans to launch the Apache 180 with ABS. Enthusiasts might recollect the Apache 180 ABS from the 2010 Auto Expo where it was displayed for the first time. Expect the TVS Apache 180 ABS to cost Rs. 8000/- more than the non-ABS bike.
