# Yamaha India Launches Fazer

Yamaha India has launched the Fazer 153cc at a price of Rs 72,000 (ex-showroom, Delhi). The company today also inaugurated its new facility at Surajpur (Uttar Pradesh) which will also be used to make Frazer and other models. The Fazer has been positioned along with the company's existing FZ portfolio bikes - FZ16 and FZ-S.

The Fazer, gets its DNA from the global Fazer series known for their sports touring, awesome looks. It has a "Look-at-me" appeal with the triple macho design concept giving it a concentrated form with excellent

ergonomics. It has the beautifully contoured color – coordinated aerodynamic cowling to keep the wind blast at bay. With its comfortable riding position and seat the rider can enjoy a week end getaway or head off on a touring holiday.

Just like FZ16 and FZ-S, Fazer carries the Monocross suspension to ensure agile running performance and handling. The placement of this model's 'MidShip Muffler' toward the center of the machine gives it a good concentration of mass, exhaust efficiency and handling. Fazer has the "140/60-17" size rear radial tyre with a 60% aspect ratio contributes to better grip and handling stability. The Fazer will be available in four color Electric Blue, Midnight Black, Lava Red and Flaming Orange.
