"Keeping in mind the festive season, we are launching Limited Edition FZ Series bikes and are confident that these too will be an instant hit among the biking enthusiasts. We have kept the essence of FZ series bikes intact while altering the aesthetics to exemplify the masculine feeling these tough machines are known for. The rich & sporty graphics will take the macho image to its next level," Mr. Pankaj Dubey, National Business Head, Yamaha India, said.

Yamaha will produce only 1,000 units of each of FZ, FZ-S and Fazer models and the aluminum plate on the fuel tank will bear the vehicle serial number (1-1000) to make the bike look as exclusive as the customer himself. The limited edition Fazer will also carry the signature of the Yamaha brand ambassador of India John Abraham crafted in golden letters on the front cowl of the bike.
