Yamaha showcased two special editions of the R15 at the 2012 Auto Expo. The company has now put these on sale. The two special editions are limited in number and only 500 units of each will be available. Booking can be made at any Yamaha dealership as all of them are taking bookings for these variants of the R15. The Yamaha R15 is a stunner and looks even more stunning in these limited edition models. The two limited edition models are called the Fiery Red Special Edition and WGP 50th Anniversary Edition. The price of these bikes are Rs. 1.10 lakhs and Rs. 1.11 lakhs (ex-showroom, New Delhi) respectively.

The changes made to the 2012 limited editions of the Yamaha R15 are purely cosmetic. The mechanical aspects remain unchanged and the R15 continues to be powered by a 150cc, liquid cooled engine which produces 17 PS of power and 15 Nm of torque. We did not like the fiery red edition that much but the WGP edition looks really cool. Still, we will choose the red and white Yamaha R15 over these. Any way you put it, the R15 looks smashing in any and every colour.
