Yamaha India Launches Superbike VMAX

[Yamaha India](#) has launched the VMAX priced at Rs. 20 lakh (ex-showroom-Delhi). The new VMAX comes with a 1,679cc V4 engine with 200 horses on tap and a mind blowing 166.8NM of torque. The bike was unveiled by Yamaha's new brand ambassador bollywood hunk John Abraham. The muscle machine equivalent of two wheels will be Yamaha's third international model in India and is a CBU import. The VMAX is famous for doing a quarter mile in less than 11 seconds, thats how fast this machine is.
