Audi India has handed over the keys of a white Audi Q5 to Yuvraj Singh. The cricketer was gifted the SUV for winning the man of tournament award at the recently concluded Cricket World Cup. The keys were personally given by Audi India head Michael Perschke to Yuvraj. Also present on the occasion was Ravi Shastri who had received an Audi 26 years back for his splendid performance on the field.

"It is after 28 years that we've brought the World Cup home and it is an honor that I have been chosen to be felicitated by Audi as they continue their tradition," a delighted Yuvraj said.
