Audi Launches Q5 Business Edition At Rs. 35.13 Lakhs

Day after tomorrow, BMW will launch the new X3 in India. Seeing the time as perfect Audi has launched a Business Edition of the Q5 SUV, priced at Rs. 35.13 lakhs (ex-showroom Maharashtra). The Audi Q5 2.0 TDI q is a CKD and will be available from October 2011. This particular Q5 model is powered by a 2.0-liter diesel engine which produces 170 hp of power and 350 Nm of torque at 1750 RPM. The TDi motor is mated to a 7-speed automatic S tronic gearbox and has an ARAI certified mileage of 12.8 kmpl. The Business Edition **Audi Q5** features LED daytime running lights, Xenon plus headlights, 17" alloy wheels, rear parking sensors, leather interiors with wood inserts, Audi Media Interface and a multifunctional 4-spoke leather steering wheel. Is this the Land Rover Freelander 2 effect?

"The Audi Q5 2.0 TDI q is perfectly equipped to further strengthen our leadership position in the luxury SUV segment. As the Audi Q5 already has a broad fan base in India, this attractive price will now make this premium experience accessible to a wider customer base who aspire to own a luxury SUV endorsed by our 'Vorsprung durch Technik' philosophy. The Audi Q5 2.0 TDI q powered by a dynamic and efficient engine is also equipped with best in-class interior and infotainment features," Michael Perschke, Head – Audi India, said.
