Audi R8 November Launch

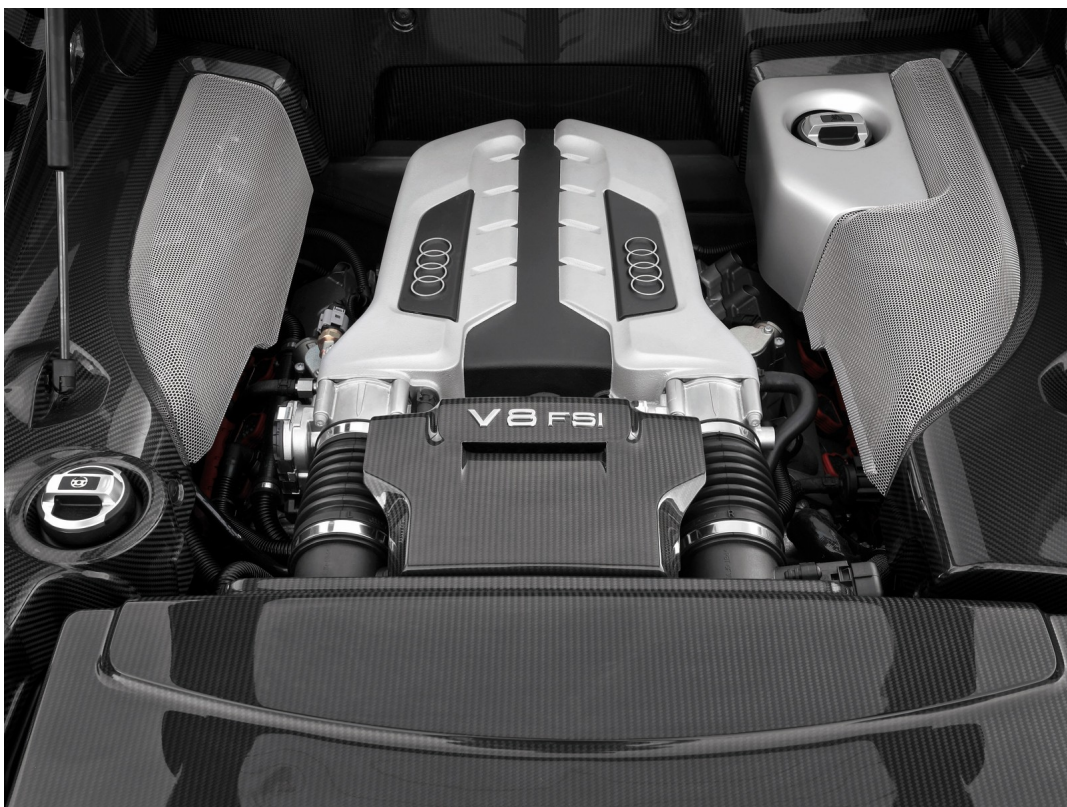

Audi will launch their super car R8 in November this year. The R8 will cost over Rs. 1.17 crore. The Audi R8 car will be an addition to the company's line of luxury sedans, including the A4, A6, A8, TT Coupe, and SUV Q7.

Audi has received orders for 15 units already, which would be delivered this year. Bullish on the fast growing luxury-car market in India, Audi has already posted a 200 per cent growth this year from that of last year.

"The whole segment is growing and we are growing even faster than the segment. We will sell this year about 1,000 cars in India," Vice-President Marketing Audi (India), Martin Birkner said, adding 350 units were sold last year.
