Audi R8 V10 On Your Garage For \$435

While many of you must be laughing out loud reading the title of this post or some might be searching for a catch, the truth is you can get a [Audi R8 V10](#) on your garage for just US \$435. Yes, its a 1:1 scale of the R8 V10 but not in your garage but on your garage door. Audi's Canadian division has made 3 types of print sizes of a red R8 which will adorn your garage door but wait, its only for Canadians. Even if it was for us Indians, it was of no use as most of us have open garages. Order yours [here](#).
