BMW All Charged Up For Auto Expo

The 2010 Auto Expo has got everyone excited including [BMW](#). The German automaker plans to showcase its current Indian line up alongside its international products that might soon see the green light. Indian line up includes the Z4 Roadster, X5, 3 Series, 5 Series, M5. From its global portfolio, BMW will showcase the 5 Series GT, X1, 760Li and the X6 M. With so much power in all these vehicles, we are sure enthusiasts will be snapping the *ultimate driving machines* in full glory at the BMW stall.
