Chevrolet India Launches Special Edition Aveo

General Motors India has launched a special edition of its entry-level sedan [Chevrolet Aveo](#), which will be offered at the same price as the existing version. The Chevrolet Aveo is available in the Indian market with a starting price of Rs 5.97 lakh.

"The launch of the special edition of the Chevrolet Aveo is a testament to the importance that GM India attaches to maximising customer satisfaction," General Motors India Vice President P Balendran said.

The special edition Aveo includes the following features :-

- Height adjustable driver's seat
- Driver airbag
- Leather upholstery
- Leather steering wheel and leather gearknob
- Illuminated key cylinder
- Rear armrest with cupholders
- Anti-lock brakes
- Chrome inside and outside door handles
