General Motors India, has launched the new Chevrolet Aveo U-VA. The new Aveo U-VA comes with additional features such as wider windscreen, driver airbag with anti-brake locking system, keyless entry with burglar alarm, leather-wrapped steering wheel and gear knob, split-folding rear seats, and deco moulding on the instrument panel and door trims.

Launched as a part of the company's centenary year celebration, the vehicle was unveiled by its brand ambassador and Bollywood actor Saif Ali Khan. The car is being promoted with a "Bada Dil Badi Car" tag.
