Chevrolet Mini Car To Be Called Matiz

GM India's new small car will not be called the [Chevrolet Beat](#). Nor will it be called the Spark (which is the cars name globally). GM is planning to reignite the Matiz name in India with the Beat. The Matiz was a very popular car in India and GM wants to ride on the Matiz brand name. The car which will be launched at the 2010 Auto Expo will be powered by a 1.2L petrol powerplant with LPG and diesel variants following suit later.
