GM India Launch Chevrolet Captiva Xtreme

[Chevrolet Captiva](#) was launched in India at the 2008 Auto Expo. Since its launch, the Captiva has established a niche for itself and has emerged as a top contender in the premium SUV space. GM India is now launching a limited edition of Captiva called the Xtreme at the 2010 Auto Expo. The vehicle sports the limited edition logo "XTREME" at the rear to identify the SUV. The other vehicles showcased in the 'Chevrolet Performance' theme are the existing Optra Magnum and the recently launched Cruze.

The highlights of Captiva Xtreme are as follows :-

1. A New Front Bumper
2. Electric Sunroof
3. Sporty Red & Black two tone interior trim
4. Black Bezel Headlamps
5. Smoked Lens Tail Lamps
6. Based on the 2.0 VCDi LT variant offering Front Wheel Drive and Manual Transmission.
