Chevrolet Cruze Jet Black Edition Launched

General Motors India has launched the new 2011 Chevrolet Cruze Jet Black, priced at Rs. 11,92,602/- (ex-showroom, Delhi). The Cruze Jet Black as the name suggests features jet black interiors with titanium stitching, iPod docking facility, single CD changer, vanity mirror with light, bluetooth audio system with mobile pairing and improved plastic quality. There are no mechanical changes to the car whatsoever and the Cruze continues to be powered by the fantastic 2.0 Liter VCDi Diesel Engine mated to a 6-speed automatic transmission. It is now available in two new colours, Switch Blade Silver and Sandrift Grey. **Do you like the new Chevrolet Cruze Jet Black edition?**

"The new Cruze combines powerful performance with jet-black interiors that redefine luxury. The introduction of the new Chevrolet Cruze is a testament to the importance that GM India attaches to maximize customer

satisfaction. At GM India, we always try to work on the feedback we receive from our customers. We have made some exciting changes in the Cruze to make it even more alluring and attractive," Karl Slym, President and MD, GM India said.
