Production Time For Fiat 500 Zagato Coupe

Good news for Fiat 500 fans. The 500 Zagato Coupe Concept which was shown at the recent 2011 Geneva Motor Show is set to go into production soon. However the car would be available to only European and Mexican customers. No details on engine and colours has been revealed yet but going by the pictures, we expect the limited edition run of the 500 Zagato to be grabbed up quickly.
