# **Fiat Grande Punto Launch On 17th June**

Fiat India will position the Grande Punto in the premium hatchback segment. The [Fiat Grande Punto](#) will be launched in both petrol and diesel variants on June 17. Fiat India got scared of the [Honda Jazz](#) and thus postponed the launch which was earlier set to the 4th of June.

The localisation content of components of the Grande Punto would be increased up to 85% by the end of this year. Fiat is also working to ensure that the car is supported through a robust Tata-Fiat dealer network comprising of 100 sales and service outlets by time of launch.
