# **Fiat Grande Punto To Become Dearer**

Those who love the [Fiat Grande Punto](#) need to rush to their nearest dealers asap as Fiat intends to hike prices of the car by Rs. 8,000-12,000/-citing increase in input costs. The Grande Punto is doing decent numbers for Fiat and the aggressive pricing has helped alot in attracting new customers. With grande plans to launch more variants of the Punto including the T-Jet in the future, we can only wait in anticipation.
