Fiat Grande Punto vs Competition

The [Fiat Grande Punto](#) has redefined the B+ segment with the level of equipment at competitive prices. However how does the [Grande Punto](#) fare against the competition? Votes by Motorbeam readers suggest they would pick up the Grande Punto over other cars in the segment. The Swift came a close second, which was quite a surprise. Zigwheels has made a very interesting chart for both the diesel and petrol variants which shows how the cars match up.
