Fiat Linea To Get More Powerful Engines

Fiat is planning on introducing more powerful engines for the [Linea in India](#). On the cards is a 1.6-litre Multijet diesel producing 118bhp and 30.6kgm of torque and a 1.6-litre petrol that produces 106bhp and 14.7kgm of torque. Both engines are expected to be launched in India by the end of 2009. The price is expected to be around Rs. 50,000 more than the current Linea.
