Motorbeam Wins 'Ford Figo Bloggers Drive' Contest

This one is dedicated to all our readers who supported us with their invaluable comments throughout the '[Ford Figo Bloggers Drive](#)'. The Bloggers Drive ran between 26th to 31st July and we received an overwhelming response to our posts each day.

Ford India has selected Motorbeam as the winner based on the number of comments we received through the week. As promised, the top ten commentators will be receiving ipods courtesy of Ford. Keep a close watch on your inbox, we will be sending out mails to the winners shortly for details of address etc so as to enable Ford India to courier the prizes. We would also like to acknowledge Carwale and DWS for putting up a tough fight.
