Ford Phases Out Fusion In India

More than a year back we had reported Ford India's intention to discontinue the Fusion (read [here](#)), and now with the launch of the Figo nearing the US car maker has pulled the curtains on the Fusion. The Fusion never really took off and with relatively small volumes it was never a profit earner for the company. However with the [Ford Figo](#), things are said to change. The small car brigade is going to become very interesting in times to come.
