# Guess This 4 Wheeler

We drove this car some time back. We have masked a few parts in the interior which are obvious give aways to which car this is. Make a guess and let us know. If no one is able to guess successfully, we will give more clues in the form of more images.

**Edit** - Awesome Stuff guys, it indeed is the [Hyundai i20](#). Almost all of you got it right and some of you got confused due to the image name being Skoda Fabia. Motorbeam readers are indeed very knowledgeable.

Impressive. Road test review tomorrow morning.
