Honda February 2009 Sales Rise

Honda Siel Cars India (HSCI), registered a growth of 47.83% in its sales in February 2009. The company sold 5,579 units in February 2009 as against 3,774 units in February 2008.

This remarkable growth in sales is fuelled by the success of its Honda City. The company sold 4,739 units of the sedan in the month. The company sold 530 units of the Civic, 107 units of the CR-V and 203 units of the Accord in February.
