2012 JDM Honda Civic Revealed

The 2012 JDM (Japanese Domestic Model) Honda Civic will make its China debut very soon and the Indian model will look almost exactly the same. Although not many have liked the looks of the new Civic which seems to have toned down its sporty look to please the executives, we feel the new version will drive much better. Headed to India by the end of this year, the new Civic will help Honda take the fight to the Chevrolet Cruze, which has off late out sold the Japanese car by a long shot.
