Honda Siel Cars India managed to book 2,032 units of the Jazz within 20 days of its launch. Honda Jazz is being manufactured at HSCI's facility in Greater Noida, U.P. with localisation level of 77%, to be scaled up in phases. Bookings for the Honda Jazz have been a runaway hit at the company's vast distribution network of 105 authorised dealership facilities, across the country. HSCI has already expanded and strengthened its dealer network in preparation for the launch of the Jazz and this network is likely to go up to 112 facilities by the end of the current financial year.

"We are happy at the response received by Honda Jazz; we are sure that the customers of Honda Jazz will appreciate the product and help us win new customers," Jnaneswar Sen, vice-president, Marketing, Honda Siel Cars India said.
