Honda India To Launch Jazz Automatic

Automatic transmission cars are becoming the in thing today. With traffic increasing and infrastructure deteriorating it comes as no surprise that automatic cars are becoming popular. Hyundai i20, Hyundai Verna, Honda City, Chevrolet Captiva, Honda City, Ford Endeavour, Mitsubishi Outlander, Mahindra Scorpio all have automatic variants and its time for the [Honda Jazz](#) to follow. Honda will be launching a automatic variant of the Jazz soon, however launch date has not been confirmed yet.

"Our automatic transmission variants of the existing models are delivering good volumes and we would like to extend the same our newly-launched Jazz model," Masahiro Takedagawa, MD & CEO, Honda India said.
