In an effort to extend the advantage of its excellent services and free check-up to a larger number of its customers, [Hyundai India](#) has launched its seventh nationwide Free Car Care Clinic. Starting from 7th up till 20th September 2009, the Free Car Care Clinic will be conducted at 375 Hyundai dealer workshops across the country. For the first time, the customers can also avail this free check-up service at 30 Hyundai Authorised Service Centres (HASC) across India.

The Free Car Care Clinic will offer a comprehensive 80 point check-up and a thorough examination of the engine, transmission, electricals, under-body, AC, exterior etc. The privileged Hyundai customers can also avail free car wash and special discounts on Oil & consumable and other value added services. In addition to this, Hyundai is offering an attractive 10% discounts on spare parts & selected accessories as well as 20% discount on labour charges and on Extended Warranty.

To honour and reward the customers attending the camp, daily attractive gifts and prizes are being offered during the entire period. These include exciting prizes like 10 Free extended warranties for the entire duration of the camp which will be held for 14 days making it a total of 140 extended warranties. Prizes will be given in each of the 8 regions and the winner will receive a 32 inch LCD TV while as the first runner up will get a digital camera and the second runner up a DVD player. In addition to this there is a Bumper prize of 32" LCD TV with DVD player combo for one lucky customer.
