# **New Hyundai Santro Launch On 1st September**

Hyundai India will launch a revised version of the [Hyundai Santro](#) on 1st September. The revised Santro will have beige interiors, new rear spoiler, new wheel covers, modified front grille and rear parcel tray. The engine will be the same IRDE unit with slight tweaking to comply with Bharat IV norms which come into affect in April next year. Hyundai has preponed the launch of the new Santro owing to the launch of the [new Maruti Estilo](#). As usual there will be a marginal price hike.
