This is it! These are the undisguised images of the new [Hyundai Sonata](#). The Hyundai i40 or the 2011 Sonata has kept the world media absolutely eager and the official pictures show the huge leap ahead by Hyundai in the design department. The car looks absolutely fabulous, we never thought a Hyundai would look so good. Details of the car will be revealed at the Frankfurt Motor Show which happens later this month, so we will have to wait to know whats under the gorgeous looks.

Going by Hyundai's past records of launching international products almost immediately in India, we can very well expect the all the new Hyundai Sonata to hit Indian shores by mid-2010. Yes, its going to look exactly the way it does in the pictures, so start saving.
