Hyundai Launches New Upgraded Verna

Hyundai India has upgraded the Verna. The new upgraded Verna range includes two petrol variants – 1.6 VTVT & 1.6 SX VTVT – and two diesel variants - 1.5 CRDi VGT & 1.5 SX CRDi VGT. In addition, Hyundai has also introduced Automatic transmission in VGT SX variant making it the 1st diesel A/T in its segment.

While the engine and the mechanicals remain the same the new Verna brings in a host of new features. The new Verna offers a different style on the exteriors with a stylish new radiator grille, electrically adjustable ORVM, new chrome insert in waistline moulding, rear chrome garnish and a new full wheel cover for enhanced visual appeal.

The interiors of the new Verna get several design revisions with premium, sophisticated new fabrics and detailed

improvements in quality and finish. The audio console has been upgraded too and boasts of a high fidelity 2 DIN Music System with 4 speakers and 2 tweeters. The new Verna also incorporates safety features like ABS.

To add to these features, the new Verna comes in 6 new colours to choose from: Blushing Red, Stone Black, Crystal White, Champagne Gold, Sleek Silver & Deep Ocean Blue.

Verna –Variants	Price Ex-Showroom (Rs)-New Delhi
VTVT (Petrol)	637,700
SX VTVT (Petrol)	712,500
CRDi VGT (Diesel)	752,200
SX CRDi VGT (Diesel)	802,100
SX CRDi VGT AT (Diesel)	865,350
