Jaguar Land Rover At 2010 Auto Expo

Tata Motors unveiled the all new Jaguar XJ at the 2010 Auto Expo. The unveiling of the all new Jaguar XJ marks its India launch. The all-new Jaguar XJ brings a daring new spirit to automotive luxury, with a mix of striking design, breathtaking performance and engineering. The car was premiered worldwide in London in July 2009, and deliveries across the world are beginning this year. Bookings for India too have opened, and deliveries will begin from June 2010. Displays from Land Rover, the gold standard in 4x4s, include the Model Year 2010 Discovery 4 and the Range Rover Sport, which expand Land Rover's 2010 product range in India.
