The Lamborghini Murcielago LP640 Roadster Versace edition is the result of the Italians teaming up to make a already exotic piece of machinery all the more exotic and exquisite. The white exterior is plastered with Versace's Greek motif, and the interior gets special full-grain, hand embroidered, ultra soft, white nappa leather on the seats, dashboard and center console.

The Versace edition also gets a transparent engine cover that showcases the amazing V12 engine, which is capable of producing 640hp @ 8000 RPM. You also get Lamborghini Versace merchandise which includes leather luggage, gloves, driving shoes and an assortment of other accessories like briefcase, suitcase, belt, wallet, key ring, beauty case, hat and a pair of jeans.
